

LEVEL 3 UNDERSTANDING AUTISM

with  **acorn**
TRAINING

ABOUT THE COURSE

What does the course involve? This course provides the in-depth knowledge and understanding of autism by looking at current legislation, ways to support individuals through a positive approach and a range of therapeutic intervention and the importance of communication and social interaction. A diverse range of subjects will be studied in-depth like autism in context, positive behavioural support for individuals with autism and understanding support and management of transitions for individuals with autism.

How long does the course run? This course is running from now up until 31st July with rolling start / end dates and morning / afternoon flexibility.

Why learn with us? We deliver flexible, online and classroom-based courses to suit your needs. We are well-placed to deliver specialist support; breaking down barriers to learning and helping you gain new skills. We can also help with travel costs and getting online.

Are you eligible? Our courses are free/fully-funded for those aged 19+ and are employed and earning less than £25,000.
