

LEVEL 1 CSCS CARD PROGRAMME

with  **acorn**
TRAINING

ABOUT THE COURSE

What does the course involve? The course covers a range of essential topics required to work in the Construction industry and is designed to give learners a better understanding of identifying hazards, promoting safety, and preventing accidents whilst on site. The course gives learners the opportunity to prepare and revise for the CITB Operatives Health, Safety and Environment knowledge test required to acquire a CSCS card. Participants will receive a Level 1 Award in Health & Safety in the Construction Environment and a Level 1 Certificate in Introduction to Construction qualifications upon completion

Why learn with us? We deliver flexible, online and classroom-based courses to suit your needs. We are well-placed to deliver specialist support; breaking down barriers to learning and helping you gain new skills. We can also help with travel costs and getting online.

Are you eligible? Our courses are free/fully-funded for those aged 19+ who are unemployed and not in education or training.

How long does it take?

The course runs for 4 weeks.

What can I do after completing the course? This course gives the learner the opportunity to go on and complete the CITB Operatives Health, Safety and Environment knowledge test needed to apply for the CSCS Labourers card.
