For aspiring or current personal trainers, this course will equip you with the knowledge to support your clients' overall health and wellbeing, helping you guide them to better fitness results and healthier lifestyles.

Why learn with us? We deliver flexible, online and classroom-based courses to suit your needs. We are well-placed to deliver specialist support; breaking down barriers to learning and helping you gain new skills. We can also help with travel costs and getting online.

Are you eligible? Our courses are free/fully-funded for those aged 19+ who are unemployed, not in education or training, or employed and earning less than £25,000 per year.

What qualifications will you gain and what can you do next?
On completion, you'll gain two Level 1 qualifications and can go on to explore further courses in health, wellbeing, and mental health.

How long does it take?
The course runs for 16 days.
